Editor's Note: This space is dedicated to America's Civilian Defense program and is for the presentation of accurate and detailed information and instructions on defense matters. Persons or organizations having information that might be useful for defense should send it to the office of this publication. If any doubt exists about the usefulness or wisdom of printing such material it will be submitted to the chairman of the local defense council for approval.

### New Regulations Relating To Alien Enemies

Attorney General Francis Biddle today announced new regulations affecting the conduct of German, Italian and Japanese nationals throughout continental United States.

The new regulations, issued under authority of the Presidential proclamation of January 14, 1942, relating to alien enemies, require all German, Italian and Japanese aliens to apply at the nearest first or second class, or county seat, post office for a Certificate of Identification. The requirement applies to all enemy nationals 14 years of age or over who have not yet taken the oath of allegiance before a Federal judge, the final step in acquiring American citizenship.

The regulations provide for two separate periods for the submitting of applications for identity certificates, as follows:

1. All German, Italian and Japanese nationals residing in the states of California, Oregon, Washington, Nevada, Arizona, Montana, Utah and Idaho are required to file applications at the nearest first or second class, or county seat, post office between February 2 and February 7, 1942, inclusive.

2. All German, Italian and Japanese nationals residing elsewhere in continental United States are required to file applications at the nearest first or second class, or county seat, post office between February 9 and February 28, 1942, inclusive.

Failure to comply with the new regulations may be punished by severe penalties, including possible internment of the enemy alien for the duration of the war.

### Slow Driving Urged To Conserve Rubber

Slower driving of motor vehicles was urged today by T. Elmer Transeau, fire rationing administrator, as a means of conserving rubber.

In addition to helping save rubber, Transeau said, slower driving also will help reduce accidents and save lives.

"Fast driving more than anything else uses up rubber," the rationing administrator said, "and since tires in the foreseeable future will be increasingly scarce, the best method of conservation is to reduce speed."

"Secondly, since vehicles on the highways will be driven with old and imperfect tires, safety clearly calls for reduction in the speed of vehicles."

"Since the rationing of tires and tubes became effective January 5 under federal regulation states are taking steps to reduce the allowable speed limits on the highways. Authorities in Connecticut have announced that 40 miles an hour will be the limit for motorists in that state."

"The old saying 'Better be safe than sorry' may seem a bit hackneyed but it is truer today than ever. Under the present stringent federal rationing quotas tire use in Pennsylvania has been cut by more than 90 per cent."

"What the future holds I am unable to say. There may be groups of motorists who feel they are in the categories designated by the government to receive certificates to purchase new tires and tubes. These may not be available even if the rationing boards approve the applications."

"I do not want to appear as an alarmist, however if all motor vehicle operators will use care and caution the millions of tires now in use in Pennsylvania will last much longer than at present anticipated."

### Lie Detector Is Tested At P. T. A.

Mrs. W. G. Briner to Conduct School in Procedure

Several prominent citizens of Narberth had their reputations for veracity seriously impaired at the meeting of the Narberth P. T. A. last Monday evening when they were caught in barefaced perversions of the truth by the uncanny accuracy of a psychogalvanometer, popularly known as a lie detector.

The demonstrator of the instrument, A. K. Van Tine of Drexel Institute, explained that it is able to record the stimulation of the sweat glands in the hands when a subject undergoes an emotional experience such as the giving of a false answer to a question.

As this was men's night the various officers surrendered their places for this meeting. The Rev. Howard A. Brettie presided in place of Mrs. Gerald M. Coholan, W. James Drennen acted as secretary in place of Mrs. Mabel K. Hunsicker, and the Rev. Cletus A. Senft read the treasurer's report for Mrs. Robert A. Toole. Mr. L. D. Ford temporarily substituted for his wife as chairman of the program committee. Music was provided by a men's double quartet.

### Scouts Will Hold Annual Banquet

Lt. Commander Keane To Be Speaker Saturday Night

Lieutenant Commander Thomas J. Keane, U. S. N. R., will be the guest speaker at the 31st annual meeting and banquet of the Valley Forge Council, Boy Scouts of America, in Mitten Hall, Temple University, 1900 N. Broad st., Philadelphia, on Saturday night.

Commander Keane is a former director of senior scouting. The program consists of an afternoon conference from 3:15 p. m. to 5:15 p. m. with the evening program starting at 6:30 p. m. and continuing to 9:30 p. m.

On the conference list for discussion are such subjects as health and safety, advancement, organization, commissioners, cubbing, sea scouting and the annual election, awards and reports.

The evening program will start with exhibits, followed by dinner, music and songs. National Council awards will be made at this time. This will be followed by a tableau, the guest speaker and the closing ceremony.

Many of the troops of the Council in Delaware and Montgomery Counties are reserving tables.

Schools to Be Closed On Registration Day

Schools will be closed on February 16, registration day for men between the ages of 20 and 45. Intention of Governor James to close the schools by proclamation was reported at the Lower Merion School Board meeting Monday night.

### Red Cross to Vote On Directors

The Main Line Red Cross will elect directors at its annual meeting to be held January 27, 10 a. m. in the First Presbyterian Church of Ardmore. Members of the nominating committee have prepared the following slate:

Mrs. John Converse, Mrs. Harry J. Haas, Mrs. C. S. Ashby Henry, Mrs. H. Boardman Hopper, Miss Marian K. Johnson, Robert Johnson, Mrs. Paul Kendall, Mrs. Joseph F. Kerbaugh, Mrs. C. Harold Kistler, Mrs. William R. Mooney, Mrs. Blackwell Newhall, Mrs. J. Howard Pew, Mrs. Joseph N. Pew, Mrs. Herbert P. Stellwagen, Mrs. Robert E. Strawbridge, Mrs. Emmett R. Tattall, Alfred Zantlinger and Julius Ziegler.

Members of the nominating committee are Mrs. Richard N. Benson, Mrs. John Converse and Samuel W. Gearhart.

### Business Council Honors Whiteside

New Officers Installed At Dinner Meeting in Narberth

Members of Narberth's Business Council met on Wednesday night for dinner at the Arcadia-Chios Restaurant to pay honor to J. J. Whiteside, who has been president of the organization for two years.

In appreciation of his services to the organization and the businessmen of the community, the Council presented Mr. Whiteside with a handsome desk set.

Following the testimonial dinner, the Council's new officers were installed. They are Walter G. Case, president; Fred Egmore, vice president; George Albert, secretary, and Harry Hollar, treasurer.

Directors for 1942 are Ralph Dunne, J. J. Whiteside, William Durbin, Marios Chios and Eugene Davis, Sr.

In a brief address outlining the plans of the Council during the coming year, the new president stated that monthly luncheons will be held in order that the membership may discuss ideas and problems of their businesses.

### 14 Plug Casters Vie For Honors

Members of Suburban Club Elected to Hold Office

Mrs. Ellen A. Dietrich and her husband, Howell I. Dietrich, both members of the Lower Merion R. J. and Gun Club, have been elected secretary and treasurer, respectively, of the Middle Atlantic Association of Casting Clubs.

The Association's annual meeting was held last week in Philadelphia. President of the Association will be Joseph Hirsch, Philadelphia, a member of the Pennsylvania State Fish and Game Protective Association, and vice-president, William Salus, Philadelphia, also a member of the State protective organization.

As chairman of the Association's interclub casting committee Ernest Jenkins, Narberth, announced that the interclub casting schedule was ready and casting would be held on the third Friday of each month in the Lower Merion Senior High School gymnasium at Ardmore. Fourteen casters will compete for team and individual honors in plug casting for accuracy.

Weekly outdoor matches are held during the Summer and Fall.

### Defense Stamp Sale Expected to Reduce School Savings

School savings are expected to fall off because students are using their money to purchase defense stamps and bonds.

This was reported at a meeting of the Lower Merion School Board Monday night.

As of January 1, 1942, the total amount of savings was \$8,868.32. At the present there are 1639 accounts as compared to 1226 last year. The amount in the accounts is almost double what it was at the beginning of 1941.

In about a week of selling, \$135.40 worth of defense stamps have been sold in the Senior High School and \$255.80 in the Ardmore Junior High School. No report has been received, as yet, from the Bala-Cynwyd Junior High School.

### Buy Merion Home

Dr. Henry D. Lafferty has purchased from the Pennsylvania Company through Harris & Bunting an 18-room home at 340 Brookway, Merion. The property, including the house, a two-car garage and about three-quarters of an acre of ground, is assessed for \$27,500. It will be occupied as the home of the purchaser.

### J. S. Dougherty Dies After Long Illness

Funeral of Well-Known Resident Held On Thursday

Joseph S. Dougherty, long-time resident in this section, died at his home, 418 Anthwyn Lane, at 6 o'clock last Monday morning after an illness of more than 5 years.

Mr. Dougherty was treasurer and plant manager of William F. Dougherty & Sons Co., 1009 Arch Street, Philadelphia, manufacturers of kitchen equipment, the business having been started by his grandfather nearly 100 years ago.

In addition to his wife, the true-blue Lancaster girl he married about 30 years ago, Mr. Dougherty is survived by two sons and two daughters, and also by three grandchildren.

He was a member of St. Margaret's Holy Name Society and in 1928 he helped form the Narberth Catholic Information League, serving as its president for the entire period of its existence.

He was also a member of the Men of Malvern and of the Knights of Columbus.

His funeral occurred Thursday, with a Solemn Requiem Mass at St. Margaret's, and interment was made at St. Denis Cemetery in South Ardmore.

It was a rare combination of things that made up the great personality which was Joe Dougherty, for he was the master craftsman in the highly skilled trade which he directed and his workers knew that they were never assigned a task, however difficult, which their employer could not do himself as well as it could be done, the element of prodigious stamina playing no small part in the noteworthy record of his numerous mechanical achievements.

In striking contrast with that prowess of his prime was the gentle nature of the man, the devotion he stirred in those about him, and the undeviating kindness and self-sacrifice which characterized his entire career.

It was in the nature of things that those whose problems were beyond their own solution found their way to Joe Dougherty, a well-beaten path, all to be befriended by the aid which he was quick to provide and which was administered without too close a scrutiny as to how the dilemma or distress might have been avoided in the first instance, thus conserving that true essence of charity which is its most exalted merit.

The measure of the man was also attested by his fierce fight with the ailments which laid him low, five tormenting years, pain and suffering which the physicians attending him described as far exceeding anything in their experience, but what Joe Dougherty never lost, in all his physical misery, was his concern for others nor did he ever forfeit his ability to discern aptly the humor of a situation, however severe the agonies which racked him.

All this, of course, reflected that spiritual strength to which he held fast all thro' his life and until death came and which was the bedrock of the exemplary record he leaves behind him, a precious memory which must bring solace to the wife and children who loved him dearly and also to those who were fortunate enough to be in the environment which he so richly adorned.

### Narb'th and Wayne Clash for 2nd Place

Brookline Five Meets Earlington in Bid for Fourth Position

The pace quickens in the Main Line Baseball League and the field slowly but surely is catching up with the leaders.

Upper Darby and Narberth struck telling blows for everyone with designs on the first division when they halted the pacesetting Yeadon and Wayne teams Monday night.

With Bobby Suiter showing the way with 16 points and contributing the two winning field goals in the final minute, Upper Darby rose to Yeadon, 46-43, on the latter's court. It was the fourth setback for Yeadon in the last five games and reduced its lead to a single game.

Narberth, paced by Clarence Griffis and Len Jones, got off to a flying start against Wayne and stayed in front all the way in scoring a 37-34 victory at Radnor High School. Having also drubbed Earlington Men's Club, 48-38, last Thursday, Narberth moved into second place by token of the victory which snapped Wayne's winning streak at four straight and dropped the latter into third place.

Narberth stands an excellent chance of deadlocking for first place Monday, as it will meet

### Drive Nets \$325 For Defense Council

Winners of Defense Bonds at the Narberth Theatre last week, in the drive to raise money for the local Defense Council, were:

Thursday—H. L. Norton, 115 Essex av., Narberth; Friday—Mrs. William Neville, Wynnewood Court Apts., the former Miss Mary Carr, daughter of Narberth Borough Councilman Henry Carr, and Saturday—Master Jack Eidenberg, 208 Woodside av., Narberth.

The total receipts from the benefit were \$324.65. The money was turned over to the Defense Council.

A letter of thanks from the Defense Council was sent to Jack Peyton, manager of the Narberth Theatre, for his cooperation, and Thomas J. Yborra, chairman of the Defense Bond Committee, was commended for his efforts in making the week a success. The Council's gratitude to the Narberth merchants who donated the Defense Bonds was also expressed.

### Asks People Not To Jam Up Wires

Denies That Company Is Curtailing Installations

Reports from Wayne that new telephones are not being installed are unfounded, according to Herbert Bruder, Main Line manager for the Bell Telephone Company.

Bruder spoke at a luncheon meeting of the Bala-Cynwyd-Narberth Rotary Club Tuesday noon in the Overbrook Golf Club, and showed a sound film of defense preparations.

As a reason for the rumor Bruder said that the Company was asking people, who contemplated installing a telephone, to cooperate in conserving materials. Instead of installing a telephone connection that would require considerable materials, such as wires, telephone poles and other accessories, the speaker said, the people were being asked to use existing party lines.

The speaker cautioned those present against jamming the wires in case of an emergency. It was necessary, he said, that the lines be kept open for calls for medical aid, and other important messages.

Dr. Richard C. Mears, president, presided.

### To Handle Books In Victory Drive

Miss Woolmington Resigns; Annual Meeting Friday

Open house and the annual meeting of the Narberth Community Library Association will be held in the library Friday night at 7:30 p. m.

Books for the Victory Book Campaign may be brought to the Narberth Library. Such books will be sorted and packed by the library staff, and delivered at Philadelphia headquarters.

Books desired are current fiction and non-fiction of interest to men readers, also standard fiction and non-fiction no longer current. The Army and Navy have urgent need for technical books published after 1930. Any books donated which cannot be used will be sold and the money turned over to the Campaign for the purchase of new books.

The Library announces with regret the resignation of Miss Woolmington, assistant librarian since 1939. Miss Woolmington is now receptionist for Dr. A. J. Denman of Narberth.

Miss Elizabeth Gilroy, part time assistant since 1939, has been appointed assistant in Miss Woolmington's place. Miss Janet Stringfield and Miss Helen Doty share the duties of part-time assistant in the evenings.

### What Soldiers Like To Read

What do soldiers like best to read? Here are two lists, fiction and non-fiction, arranged by the Dewey classification, according to demand:

Non-fiction: applied psychology, current affairs, military publications, crime and the F. B. I., police systems and fingerprinting, English grammars, arithmetic, algebra, geometry, trigonometry, calculus, up-to-date technical books, accounting, shorthand, business and salesmanship, lettering and mechanical drawing, photography, cartoons, well-illustrated books of all types, book about music, sports, novel and playwriting, poetry and individual plays, geography, travel, biography, history.

Fiction: adventure, aviation stories, historical novels, humor, mystery, sports, western.

### Council Reverses Budget Action; \$700 Made Available For Nursing

Officers Elected By Health Board

Election of Arthur L. Cooke as president of the Narberth Board of Health and a continuation of the Board's program of public health work and disease control was announced this week.

Dr. A. J. Denman has been elected as vice-president and George B. Suplee selected as secretary and health officer.

Concurrently the appointment of Mrs. R. C. Hoffman for another five years as member of the health board has been announced. Mrs. Hoffman, who has served on the Board for 20 years, received the oath of office from Magistrate Horace T. Smedley.

The Board's budget and 1942 expenditures, as approved by Narberth Borough Council, includes \$1400 for milk control work; \$80 for testing ice cream; \$40 for testing water; \$100 for printing stationery, \$300 for Narberth health service, \$700 for nursing service.

### Pass Ordinance To Aid Defense; Fix \$100 Penalty

Air Raid Wardens Given Power of Enforcement

An ordinance providing the local legal structure for development and enforcement of a defense program was passed by the Narberth council meeting in Elm Hall, Monday night.

Roland Fleer, president of the Council, presided.

Authorization of periods of blackout and defense, and provision for rules and regulations governing these periods, are contained in the ordinance.

The authority for enforcing the ordinance is given to the new burgess, Richard L. Miller, who recently returned home after being operated on for appendicitis at the Bryn Mawr Hospital.

The ordinance further provides that: "Warnings of the beginning and termination of such periods shall be given through the Borough by a system of audible signals which shall be publicized by the Burgess."

As in other nearby municipalities where similar ordinances, enabling to the State Defense Act, have been passed it gives power of enforcing the regulations to policemen and firemen and all members of the auxiliary police and fire forces and air raid wardens.

Penalty for violating any of the regulations is a fine of not more than \$100, recoverable with costs, together with judgment or imprisonment not exceeding 30 days if the fine and costs shall not be paid within ten days.

### Holy Trinity Has 20th Anniversary

Central Penna. Synod President to Speak Sunday

Holy Trinity Lutheran Church, Woodbine and Narberth av., Narberth, is celebrating its 20th anniversary this week.

Last Sunday the following new members were received into the church: Mrs. James Hodgman, 132 Rockland av., Merion; Mr. and Mrs. George Kohn, 751 Clarendon rd., Penn Valley; Mr. and Mrs. Paul Stoops, and Mrs. Mary Wagner, 333 Conway av., Narberth.

On Wednesday night, a congregational dinner and business meeting was held, when Dr. Robert D. Clare, pastor of St. Mark's Lutheran Church, Baltimore, Md., was the speaker. Dr. Clare is the son-in-law of the first pastor of Holy Trinity, Dr. Milton E. McLinn, who served from 1923 to 1927.

This Sunday, the anniversary preacher will be Dr. M. R. Hamsher, Harrisburg, president of the Central Pennsylvania Synod of the United Lutheran Church in America.

The Rev. Cletus A. Senft is the present pastor of the church.

### Flowers of West Garden Club Topic

The Penn Valley Garden Club will meet on January 26 at 10:30 a. m. at the home of Mrs. M. M. Strumla, 857 Bryn Mawr av., Penn Valley.

The speaker will be Miss Ethel Tilly, who topic will be "Flowers of the West."

### Former Decision Was Based On Inadequate Information

2192 Visits Made a Year

Reversing a former budget action, Narberth Borough Council on Monday night unanimously voted to allow the Board of Health the \$700 it asked to help finance a community nursing service.

After listening to members of Narberth's health board and representatives of the Community Health and Civic Association, who supply the service, the councilmen explained that their former action was based on misapprehension and inadequate information.

It seems that the councilmen, when they allotted \$100 for nursing service in their 1942 budget several weeks ago, were assuming that the public health nurse made less than 100 home visits a year whereas the Community Health and Civic Association records show that 2192 visits were made in the past year. Approximately one dollar is figured as the cost of a visit.

Although the 1942 budget has been posted and is not subject to change the resolution passed by councilmen will permit the Board of Health to send in a requisition, payable monthly, quarterly or semi-annually, for the \$700 the nursing service will cost.

Present for the meeting were two members of the Board of Health, Mrs. R. C. Hoffman and Mrs. Roy C. Williams; Miss Ada M. Beerstecher, executive secretary of the Community Health and Civic Association; Miss Edith Unruh, the Association's public health nurse in Narberth; Mrs. Arley Farmer, president of the Narberth Health Center; Mrs. C. E. Starr, president of Narberth Relief; and Mrs. H. C. Fenno, Regent of the Dr. Benjamin Rush Chapter of the Daughters of the American Revolution.

Motion that the resolution be passed was made by Councilman Walter A. Fox and seconded by William P. Davies. Roland Fleer, president of the Council, presided.

The Association's executive secretary told Council that the cost of the nursing service provided for Narberth was \$2541.98 with \$1050 of this going for the nurse's salary.

Most of this nursing service cost, she said, was made up by \$542.50 in fees collected from people who could pay for nursing service; approximately \$700 contributed by the Borough; approximately \$405 from the School Board; and approximately \$90 from the Health Center. The balance, Miss Beerstecher explained, was made up from Narberth's share, received by the Association, from United Charities. She said that the cost of the average visit was \$1.05 and the charge made to a person was \$1.25 a nursing visit. The Association, she said, maintained a staff of 11 nurses and one-eleventh of the cost of maintaining this staff was charged to Narberth. From three municipalities served by the Association \$6500 comes from Lower Merion; \$4500 from Haverford Township while Radnor Township makes no contribution.

Mrs. Farmer deplored any curtailment of the nursing service appropriation at this time.

"It is important," she said, "in this period of emergency to see that our children have the same health protection as they have had always."

### Board Members Named by Council

Frye and Suplee Are Re-appointed For Two Years

The Narberth Borough Council on Monday night appointed members to two commissions, two boards and named their solicitor and superintendent of public works for the next two years.

George B. Suplee was appointed superintendent of public works a position which will incorporate the functions of health officer, building and plumbing inspector. Suplee has performed all of these duties in the past but under the separate titles.

Henry A. Frye was re-appointed as the Borough solicitor.

Commissioner and board appointments were as follows:

Planning Commission: Douglas C. Miner for a term expiring in 1946 and W. Elmer Titus for a term expiring in 1947.

Shade Tree Commission: Caroline Justice for a term expiring in 1947. Board of Adjustment: C. Fred Kueber for a term expiring in 1944 and John E. Flynn for a term expiring in 1945.

Recreation Board: William F. Davies for a term expiring in 1947 and Frank J. Dwyer for a term expiring in 1945.

**CALLING THE TURN**  
by L. M. FORD

A word of caution is in order to those Lower Merion High School followers who are so enthused over Coach Bill Anderson's current team that they're already conceding it the state championship.

It's really unfair to the coach and the players. They're under enough pressure, as it is, without making it worse. That Lower Merion is strong enough to win its league and represent District One in the P.I.A.A. playoffs is a safe and logical conclusion. But let's wait awhile before getting too hopped up over the playoffs.

One should remember that every Lower Merion team that was a heavy favorite to win the state title never quite accomplished that goal.

College freshman team from losing to Penn's freshmen... Speaking of Lower Merion stars, reminds us that Ray Stanley is doing a grand job as coach of the Penn Jayvees... they're unbeaten.

Jim Farrell, another product of Bill Anderson who has been playing with Earlington Men's Club in the Main Line League, has enlisted in the army air corps... Al Roschell, Wayne star, left Wednesday to join the same outfit... He was presented a signet ring on behalf of his teammates by Rocco O'Dorisio, member of the Radnor School Board, prior to Monday's game with Narberth.

Dick Morris, Brookline, and Bobby English, Earlington, are other Main Line Leaguers in the air corps... 't would be swell if they landed in the same outfit.

**Clifton Five 'Hot'**  
Hottest club in the Main Line League at the moment is Clifton Heights... the 64 points they chalked up against Earlington Monday set a record for the season... In their last two games they've tallied 117 points, which is really hitting 'em in any competition... Mainstay of the team is Al Hermann, who pitches for the Narberth baseball club... Funny thing about Clifton... they didn't find themselves until Dutch Loeb, assistant Upper Darby High coach, quit as tutor of the team... Clifton is now piloted by Walt Horwitz, formerly of Upper Darby High... There is some talk that Clifton may transfer its franchise to Penn Wynne.

Haverford College made a nice comeback after that Drexel setback, nosing out Susquehanna, 38-34, Saturday night in the last appearance before midyear exams... Art Jones, former Haverford High star, is an outstanding player on the Scarlet and Black quintet... Bob Bailey and Gil Gibbons, two stars on Lower Merion's crack team last year, are the works at Episcopal Academy... They tallied 31 points between them as the Little Quakers defeated Germantown Academy, 47-17, last Friday... but they could only get 10 points between them Tuesday and Episcopal bowed to Penn Charter, 28-26... Incidentally, it looks as if Penn Charter will win the title for the third straight year... Tad Weiman, Jr., son of the Princeton football coach, scored 24 points as Haverford School defeated Germantown Academy, 53-22.

Haverford, coached by Johnny Abrams, assistant football tutor at Ardmore Junior High, is improving and can't be held lightly by the leaders.

**LETTERS TO THE EDITOR**

January 19, 1942  
Mr. George Walker Editor  
Our Town  
8 Cricket av.  
Ardmore, Penna.  
Dear Mr. Walker:

In your edition of the Our Town of January 16th, 1942, I noticed an article commending me on the way that I have handled the Magistrates cases coming before me, and that I had turned over to the Borough of Narberth for the month of December a larger sum of money than had been received for a long time.

Because of the fact that the large sum of money received was mentioned, the people of Narberth might gather the impression that Narberth now has a "fining Magistrate" and I wish to state that I am fully cognizant of the parking problems of the Borough and that the people of Narberth as well as the good neighbors of Narberth that patronize our stores shall be fully protected in my Court and that anyone incurring a violation of our Ordinances will be afforded an ample opportunity to explain their side with the thought in my mind that maybe the Borough is just as much at fault as the violator.

In closing I would like to say that I will be pleased when I can turn my report in to the Borough month after month marked "No Fines Collected."

Yours truly,  
Otto B. Duer

**Mother of Star In "Swamp River" Is Federation Speaker**  
Mrs. John W. Moore, chairman of motion pictures for the Delaware County Federation of Women's Clubs, presided over the round-table conference last Friday at the Upper Darby Municipal Building.

"Swamp River" was reviewed by Mrs. Joseph McCourt, after which Mrs. Leonard A. Preck of Swarthmore, mother of John Carradine who starred in Swamp River, cited some incidents about her son and his rise in motion pictures.

Mrs. Roland Eaton of Swarthmore reviewed "How Green Was My Valley," confirming the favorable criticisms which have already appeared in the papers.

**Defense Courses At B. M. College**

Residents of nearby communities will be able to register for special defense courses now being organized at Bryn Mawr College.

Students, members of the faculty and staff are taking the courses and the invitation for participation has been extended to Haverford College.

The courses will include first aid, nurses' aides, home nursing, nutrition theory and canteen practice, social service planning and management of children's centers, citizenship education and office practices.

This week is being spent in interviewing prospective students for the courses and determining how many classes are needed and how best the courses can be arranged. Registrations are being taken in the Defense Room at the College library.

Courses will start February 1.

## Grace L. Werner, G. A. McFarren Wed Saturday

Ceremony Performed in Baptist Church of the Evangel

The marriage of Miss Grace Louise Werner, daughter of Mr. and Mrs. George Frederick Werner, 441 Brookhurst av., Narberth, and Mr. Gerald Albert McFarren, son of Mr. and Mrs. Albert Marian McFarren, Akron, Ohio, took place Saturday afternoon in the Baptist Church of the Evangel, Narberth, with the Rev. Robert E. Keighton pastor of the church, officiating.

The bride, who was given in marriage by her father, was gown in bluish pink satin, made with sweetheart neckline, the bodice fastened with tiny buttons down the back, the skirt ending in a long train. She carried a shower bouquet of gardenias. Her veil was that worn by Mrs. Francis Mitchell, of Overbrook Hills, at the latter's wedding last February. Mrs. Mitchell was to have been Miss Werner's matron of honor, but was prevented by a broken leg.

The bride's attendants, Miss Edith Stoad Wiltman, of Germantown, maid of honor, and bridesmaids Mrs. William P. Shelley and Mrs. C. Robert Cawley wore fuchsia crepe, in the same model as the bride's gown, with matching ostrich feathers in their hair and carried bouquets of white carnations and snapdragons.

Barbara Ann Coleman and Millicent Lampe, cousins of the bride, were flower girls and wore white taffeta frocks and carried rosebuds. Their head-dresses were of rosebuds and ribbons.

Mrs. Werner, mother of the bride, wore a plum-colored gown with front panel and yoke of pink and a plum colored hat trimmed with pink flowers. Her corsage was of gardenias.

Mrs. McFarren's choice was a pale blue crepe gown trimmed with gold paillettes, and she, too, had a corsage of gardenias.

Best man for Mr. McFarren was his brother, Mr. Earl McFarren, and the ushers were Messrs. C. Robert Cawley, Charles B. Eloff, Gustav G. Freygang, and Donald Carter.

Following the ceremony, a reception was held at the Haverford Court Hotel, and the couple left immediately for a wedding trip to Canada.

Upon their return, they will be at home, after March 1, at 211 West Circle, Bristol, Pa.

The bride is a graduate of Lower Merion High School and the Pierce Business School, and Mr. McFarren graduated at Akron University and took his Master's Degree at Ohio State University.

## UPPER DARBY AND RADNOR FIVES ROUTED AS LOWER MERION'S STREAK REACHES 19

Neither rough tactics nor a sliding zone defense were able to sidetrack Lower Merion High School's high flying basketball team. Upper Darby and Radnor being added to the list of victims as the Maroon's two year winning streak reached 19 in a row.

Haverford High, which has won but one game this season, has the unenviable task of challenging the state champions Friday night at Downs gym. The Fords handed the Maroon one of its two setbacks last year and the latter has been constantly reminded of this fact this week by Coach Bill Anderson in an effort to prevent over-confidence.

Overconfident or not, there isn't much likelihood of the Fords splitting the dope, judging from L. M.'s superior play in its recent appearances.

Upper Darby came here last Friday night with an unbeaten record in the league and with the determination to make the Maroon work for its victory. The Royals played a slambang, bruising game which limited L. M. to seven field goals but they committed so many fouls

that the Andersonmen were able to win in a breeze, 32-16.

The Royals committed 28 infractions all told and Lower Merion profited to the extent of 18 points from the 15 foot line. Lanky Bill Koehler contributed eight points from the foul line alone. He also tallied twice from scrimmage to garner scoring honors with 12 points. Greer Heindel, junior cen-

ter, tallied three field goals and five charity goals for 11 points.

As you might judge, there wasn't much to the game. Lower Merion running up leads of 7-3 and 15-7 in the opening periods and having no difficulty staying in front the rest of the way.

Lower Merion riddled Radnor's zone and gave the arch-rivals from Wayne a smart lesson in the man-to-man style in scoring a 26-9 victory Tuesday night.

Radnor just couldn't do a thing. The defending champions of the Suburban Section Two League didn't get a point until they converted a foul loss in the closing seconds of the first period and 14 minutes elapsed before Emilen Tunnell, the negro star, cut the cords on a set shot for their first field goal.

In all, Radnor scored exactly three field goals while taking one of the most humiliating defeats in the history of the ivy-covered series between the two schools.

Lower Merion, playing a ball-possession game, led at halftime, 13-3. Captain Harry Middleton paced the attack with seven points.

## Caballero Appointed Exclusive Agents

The F. E. Caballero organization has been appointed exclusive agents for Pennhurst Farms. A new development of small Main Line estates, situate Conshohocken State rd. and Hag's Ford rd., Penn Valley, Lower Merion Township.

The tract is a part of the former estate of Percival Roberts, Jr. Three sample houses of different types are now available to purchasers and open to visitors 1 to 5 p. m. daily. In these homes, the work of master builders and designers, all baths are tile, piping and spouting copper, all floors hardwood and every house completely insulated.

Each house is an individual adaptation of period architecture planned with finesse of layout and construction with skilled craftsmanship which makes for enduring quality. The community upholds the fine traditions and distinctive quality of living peculiar to the Main Line. The minimum size of lots is 30,000 square feet.

## 4-Point Appeal For Charity Aid

A four-point appeal to support the current United Charities Campaign was made by Mrs. Robert P. Wetherald, local director, this week.

In explaining these four points Mrs. Wetherald said:

(1) "Twenty-two hospitals would actually close their doors without the funds collected in this campaign. Without these hospitals where would the Red Cross be? How could we prepare for air raid casualties or for wounded soldiers sent home?"

(2) "This is a war of production and the speed of production will depend greatly on the physical fitness of the worker. Shall we curtail the work of 21 health centers, dental clinics and the like which are dependent on this campaign for funds?"

(3) "Women workers must take the place of absent men. Thousands can't do so unless the child care agencies, (day nurseries, etc.) asking our aid in this campaign can be kept open so that their children can be cared for during working hours."

(4) "Our boys at the front expect us to take care of their loved ones at home. Their morale depends a lot on our doing so—and morale wins battles both at home and in the field."

## Defense Measures Taken in Schools

Order Purchase of Sand To Fight Incendiary Bombs

The Lower Merion School Board on Monday night ordered the purchase of sand and directed that it be placed at strategic spots in school buildings for use in fighting incendiary bombs.

Estimates on the cost of the sand have been received and the purchase will be made in a few days.

In addition to the sand the equipment being purchased will include sand containers, pails and shovels. A number of the sand containers would be placed on the roofs of the school buildings.

Other defense measures, that have been taken by Lower Merion school authorities, were reported on Monday night.

These include:

The assignment of a definite place of safety for each child, air raid drills, ordering of additional first aid supplies, location of first aid supplies at strategic places, instituting a re-fresher course for all who hold first aid certificates, plans to give first aid instructions to a selected group of teachers and pupils, issuance of instructions to busmen as to procedure if they are transporting pupils when an air raid occurs, inspection and replacement, where needed, of fire fighting equipment.
